A Message from Sam

2024 was an eventful year!

We have recruited more staff and volunteers, and our team are a wonderful group of creative, caring, inspiring people who deliver interesting and engaging arts-related activities for the whole community. Our expansion is due to receiving Lottery Funding, which has enhanced our management, delivery and support.

We celebrated our 19th birthday, we performed at Armed Forces day, we launched a Knit n Natter group, introduced new afternoon sessions for young people, hosted projects for other organisations, re-designed our cafe and reception, worked with the Police to reduce anti-social behaviour, hosted yoga sessions and so much more!

2025 looks exciting! We have planned fun events, conferences, workshops and more groups for everyone. These include events about good mental health, volunteering, Autism awareness and celebrating our 20th birthday.

On behalf of our Committee, would like to thank all of our members, Staff and Volunteers. With your support and enthusiasm, we will go from strength to strength!
